My Dear Star Customer,

Greetings from STAR Health!

It is my pleasure to personally welcome you into our family.

We began our journey 17 years ago as India's first standalone health insurance company. Today, by protecting over 2 crore lives, STAR Health has become one of India's leading health insurance companies. This wouldn't have been possible without your trust.

Today, our customers can avail cashless hospitalisation services at 14,000+ network hospitals. We also strive to make our claims services hassle-free and easy to access for everyone. If you ever need it, please Click Here or contact our 24x7 Customer Care. You can either call us on 1800 425 2255 / 1800 102 4477 or write to us at support@starhealth.in

At STAR Health, we bring you best-in-class Telemedicine services. You can consult our team of highly-qualified healthcare and wellness specialists on all days between 8 am and 10 pm on the STAR Health App, available for download on Android and iOS.

I thank you again for entrusting us to be your health and wellness guardian.
